

BNURSE18 Bachelor of Nursing (2 year EN entry delivery model)

The Bachelor of Nursing (EN Delivery Model) is a two year course for an full time student. Each year consist of three Study Periods, also known as Trimesters.

The BNURSE18 course comprises of 24 subjects (240 credit points) 8 of which have been credited (80 credit points) with 16 subjects remaining for completion (160 credit points) within the EN Delivery Model version of the course.

Core subjects - compulsory subjects that you must complete.

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a Full Time Student):

How to read the below Suggested Study Pattern (as a Full Time Student):

A full time study load will consist of 8 subjects per year taken over 3 trimesters for 2 years.

You should read the Suggested Study Pattern from top to bottom.

Studying Part Time?

The course will also be offered on a part time basis over 3 years, whereby the student will undertake 2 subjects per trimester for 8 trimesters.

You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
