

## GCPH21 Graduate Certificate of Public Health

Each academic year consists of three Study Periods, also known as Trimesters.

The Graduate Certificate of Public Health can be completed with full time study over two trimesters or in 3 or 4 trimesters on a part time basis.

**Core subjects** - compulsory subjects that you must complete

**Specialisation subjects** - subjects you can choose between from the Specialisation Bank below

**This course comprises of 4 subjects that you are required to complete:** 1 core subject and 3 specialisation subjects

**Prerequisite subject** - a subject you must complete before undertaking another subject

**Corequisite subject** - a subject you must complete with another subject at the same time

**RPL** - should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

**Please note:** Not all subjects run each Study Period. If your suggested subjects are unavailable, we encourage you to take the immediate preceding or following subject(s) where possible.

### How to read the below Suggested Study Pattern (as a Full Time Student):

The four required subjects have been divided over two Study Periods (trimesters).

This is a suggested study pattern, however, you may choose to undertake more subjects per trimester or if part-time, less.

**Studying Part Time?** You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period. Any questions?
