

**GDPH21
Graduate Diploma of Public Health**

Core subjects - compulsory subjects that you must complete

This course comprises of 8 subjects that you are required to complete: 5 core subjects and 3 specialisation subject.

Prerequisite subject - a subject you must complete before undertaking another subject

Corequisite subject - a subject you must complete with another subject at the same time

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

Please note: Not all subjects run each Study Period. If your suggested subjects are unavailable, we encourage you to take the immediate preceding or following subject(s) where possible.

How to read the below Suggested Study Pattern (as a Full Time Student):

8 subjects per year make up a full time study load, following a **3 subjects-3 subjects-2 subjects** pattern across the year's three Study Periods (Trimesters).

As an example: Following the below pattern, the subjects in your first year would be:

Your first Study Period: PUBH6000, PUBH6002 and PUBH603 (3 subjects) Note: students must enrol in **PUBH6000** in the first study period

Your second Study Period: PUBH6005, PUBH6206 and 1 specialisation subject

Your third Study Period: Select 2 specialisation subjects

Studying Part Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period. Any questions? Contact yoursuccesscoach@torrens.edu.au

Fast Track? You can complete the course sooner by taking the fast track option, contact yoursuccesscoach@torrens.edu.au
