

## BNURSE18 - Bachelor of Nursing (3 year delivery model)

The Bachelor of Nursing is a three year course for a full time student. Each year consists of three trimesters. This course comprises of 24 subjects with a value of 10 credits each.

**Core subjects** - compulsory subjects that you must complete.

**RPL** - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

### How to read the below Suggested Study Pattern (as a Full Time Student):

Three subjects per trimester make up a full time study load for a student however, less subjects per trimester can be undertaken. You should read the Suggested Study Pattern from top to bottom.

As an example: Following the below pattern, the subjects in your first year would be:

**Your first Study Period: BAN101, SHB102, SCP103 (3 subjects)**

**Your second Study Period: EBP107, CPC105, HBD106 (3 subjects)**

**Your third Study Period: SHI104, HAS108 (2 subjects)**

### Studying Part Time?

You would still follow the below sequence from top to bottom, but with fewer subjects per Trimester.
