MBASMA
Master of Business Administration (Sports Management)(Advanced)

The Master of Business Administration (Sports Management)(Advanced) is two years in duration for a full-time student. Each year consists of three Study Periods, also known as Trimesters.

Core subject - a compulsory subject that you must complete
Elective subject - a subject you must choose from the Elective Bank on the next page
Pre-requisite subject - a subject you must complete before undertaking another subject

This course comprises of 16 subjects that you are required to complete: 13 core and **3** electives

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a full-time Student):

8 subjects per year make up a full-time study load, following a **3 subjects - 3 subjects - 2 subjects** pattern across the year's three Study Periods (Trimesters).

As an example: Following the below pattern, the subjects in your first year would be:
1st Study Period: MGT501, MGT502 and MGT600 (3 subjects)
2nd Study Period: FIN600, MKTG6003S, and MGT601 (3 subjects)
3rd Study Period: SMP610, MGT602 (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
(Note that **RSO609 - Residence: Sports Facility Operations** is only offered once a year)
