TORRENS UNIVERSITY AUSTRALIA

Associate Degree of Business (Accounting) ADBACC24

The Associate Degree of Business (Accounting) is two years in duration for a full-time student, or four years in duration for a part-time student. Each year consists of three study periods, also known as trimesters/terms.

Core subject - a compulsory subject that you must complete
Elective subject - a subject to be selected from the Elective Bank below
Pre-requisite subject - a subject you must complete before undertaking another subject.

This course is comprised of 24 subjects that you are required to complete, including:

13   Core subjects
3   Elective subjects

The course contains 3 subject levels - Level 100, 200 and 300, guiding you from foundational through to more complex subjects.
• Level 100: 6 core subjects.
• Level 200: 7 core subjects.
You must select 3 electives from the Elective Bank below. The 3 electives may be chosen from any level subjects (100, 200, 300).
This is how to identify the subject level - ACC102 is a level 100, ACC202 is a level 200

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a full-time Student):

8 subjects per year make up a full-time study load, following a **3 subjects - 3 subjects - 2 subjects pattern** across the year's three study periods (trimesters/terms).

As an example: Following the below pattern, the subjects in your first year would be:
1st study period: BIZ107, BIZ106 and ACC102 (3 subjects)
2nd study period: BIZ202, MKT105 and MIS201 (3 subjects)
3rd study period: IND101A and 1 elective (2 subjects)

Studying Part-Time?   Follow the below sequence from top to bottom, but with fewer subjects per Study Period.
