

MMGPM21 Master of Global Project Management

The Master of Global Project Management course (MMGPM21) is our standard MBA course **taught in Mandarin**, made available through our Global Access platform to International Offshore students. It is 1.5 years in duration for a full-time student. Each year consists of three Study Periods, also known as Trimesters.

Core subject - a compulsory subject that you must complete

Elective subject - a subject that can be taken in any order

Pre-requisite subject - a subject you must complete before undertaking another subject

This course comprises 12 subjects that you are required to complete: 8 core subjects and 4 elective subjects

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a Full-Time Student):

8 subjects per year make up a full-time study load, following a **3 subjects - 3 subjects - 2 subjects** pattern across the year's three main Trimesters.

As an example: Following the below pattern, the subjects in **your first year** would be:

Your first Study Period: MPRO6000L, MGMT600L and MPRO6002L (3 subjects)

Your second Study Period: MPRO6003L, MPRO6004L and 1 elective (3 subjects)

Your third Study Period: MPRO6017L and 1 elective (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.

Fast-Track? You can complete your course sooner by taking up to 4 subjects in each trimester.
