BBIS21	
Bachelor of Business Information Systems	

The Bachelor of Business Information Systems is three years in duration for a full-time student, or six years in duration for a part-time student. Each year consists of three Study Periods, also known as Trimesters.

Core subject - a compulsory subject that you must complete
Elective subject - a subject you can choose between from the Elective Bank on the next page
Pre-requisite subject - a subject you must complete before undertaking another subject.
This course comprises 24 subjects that you are required to complete: 16 core subjects and **8** elective subjects.
The course contains 3 subject levels - Level 100, 200 and 300, guiding you from foundational through to more complex subjects.
• **Level 100**: 5 core subjects.
• **Level 200**: 5 core subjects.
• **Level 300**: 6 core subjects.
You must select **8** electives from the Elective Bank on the next page. At least 3 electives must be chosen from **Level 200** and at least 2 electives must be chosen from **Level 300**.
RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.
