Master of Business Administration and Master of Global Project Management

The Master of Business Administration and Master of Global Project Management is a Dual award that is 2 years in duration for a full-time student. Each year consists of three main Study Periods, also known as Trimesters.

Core subjects - a compulsory subject that you must complete

Pre-requisite subject - a subject you must complete before undertaking another subject

Co-requisite subject - a subject you must study alongside another in the same trimester

This course comprises 16 core subjects that you are required to complete.

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a full-time student):

8 subjects per year make up a full-time study-load, following a **3 subjects - 3 subjects - 2 subjects** pattern across the year's three main Trimesters.

You should read the Suggested Study Pattern from top to bottom. As an example, following the below pattern, the subjects in your first year would be:

Your first Trimester: MGT501, MGT502 and PROJ6000 (3 subjects)

Your second Trimester: PROJ6002, PROJ6003 and FIN600 (3 subjects)

Your third Trimester: MGT600 and MKT600 (2 subjects)

Studying Part-time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.

Fast-Track? You can complete your course sooner by taking up to 4 subjects in each trimester.
