Master of Business Administration (Innovation & Leadership)

The Master of Business Administration (Innovation & Leadership) is an award taught by Ducere Global Business School. It is 1 year in duration for a full-time student, or 2 years in duration for a part-time student. Each year consists of three 16-week Study Periods.

Core subject - a compulsory subject that you must complete.

Pre-requisite subject - a subject you must complete before undertaking another subject.

This course comprises 12 core subjects that you are required to complete.

How to read the below Suggested Study Pattern (as a full-time Student):

12 subjects per year make up a full-time study-load, taking 4 subjects in each of the three Study Periods.

As an example: Following the below pattern, the subjects in your first year would be:

Your first Study Period: MBL501, MBL502, MBL603 and MBL604 (4 subjects)

Your second Study Period: MBL605, MBL606, MBL607 and MBL608 (4 subjects)

Your third Study Period: MBL609, MBL610, MBL611 and MBL612 (4 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
