

Graduate Certificate of Economics of Sustainability GCES22

The Graduate Certificate of Economics of Sustainability is a half year in duration for a full-time student, or one year in duration for a part-time student. Each year consists of three study periods, also known as trimesters.

Core subject - a compulsory subject that you must complete

Elective subject - a subject to be selected from the Elective Bank below

Pre-requisite subject - a subject you must complete before undertaking another subject.

This course is comprised of 4 subjects that you are required to complete, including:

- 2 Core subjects
- 2 Elective subjects

This course is comprised of 4 subjects that you are required to complete: 2 Core subjects and 2 Elective subjects.

You must select 2 electives from the Elective Bank below. The 2 electives may be chosen from any level subjects (500, 600).

This is how to identify the subject level - BANASD501 is a level 500, BECOSD602 is a level 600

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a full-time Student):

2 subjects per trimester make up a full-time study load, following a **2 subjects - 2 subjects** pattern across the year's two study periods (trimesters).

As an example: Following the below pattern, the subjects in your first year would be:

1st study period: BECOSD401 and BECOSD402 (2 Subjects)

2nd study period: 2 Electives from the Elective Bank (2 Subjects)

Studying Part-Time? Follow the below sequence from top to bottom, but with fewer subjects per Study Period.
