## Graduate Certificate of Business Administration

The Graduate Certificate of Business Administration is a 0.5 year course for a full-time student. Each year consists of three Study Periods, also known as Trimesters. 2 subjects per Trimester equates to a full-time study load in this course.

This course comprises 4 core subjects, which must all be successfully completed in order to qualify for the award.

The course is available to study **on-campus in English**, or from **overseas in Mandarin**. Suggested Study Patterns for both versions of the course are shown below. (Note that the course must be completed entirely in English or entirely in Mandarin, it is not possible to mix languages within the same course).

**RPL** - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

**How to read the below Suggested Study Pattern** (as a full-time Student studying in Australia in English):

You should read the list from top to bottom, which would result in your two Study Periods (trimesters) looking as follows:

**1st Study Period:** MGT501 and MGT502 (2 subjects)

**2nd Study Period:** MKT600 and FIN600 (2 subjects)

**Studying Part-Time?** You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.

**Want to accelerate your studies?** You can choose to take all 4 subjects in the same Study Period, if available.

(Note that this requires a greater volume of study over a single Study Period, and should only be attempted by students familiar with post-graduate study).
