

## Graduate Diploma of Economics of Sustainability GDES22

The Graduate Diploma of Economics of Sustainability is one year in duration for a full-time student, or two years in duration for a part-time student. Each year consists of three study periods, also known as trimesters.

**Core subject** - a compulsory subject that you must complete

**Elective subject** - a subject to be selected from the Elective Bank below

**Pre-requisite subject** - a subject you must complete before undertaking another subject.

This course is comprised of 8 subjects that you are required to complete, including:

- 5 Core subjects
- 3 Elective subjects

This course is comprised of 8 subjects that you are required to complete: 5 Core subjects and 3 Elective subjects.

You must select 3 electives from the Elective Bank below. The 3 electives may be chosen from any level subjects (500, 600).

This is how to identify the subject level - MGT501 is a level 500, BECOSD604 is a level 600

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

**How to read the below Suggested Study Pattern (as a full-time Student):**

**8 subjects per trimester** make up a full-time study load, following a **3 subjects - 3 subject - 2 subjects** pattern across the year's two study periods (trimesters).

As an example: Following the below pattern, the subjects in your first year would be:

**1st study period:** BECOSD401, BECOSD402 & BANASD501 (3 subjects)

**2nd study period:** BECOSD602, BECOSD603 & 1 Elective (3 subjects)

**3rd study period:** 2 Electives from the Elective Bank (2 subjects)

**Studying Part-Time?** Follow the below sequence from top to bottom, but with fewer subjects per Study Period.
