How to read the below Suggested Study Pattern (as a full-time student):

8 subjects per year make up a full-time study load, following a **3 subjects -3 subjects -2 subjects pattern** across the year's three Study Periods (Trimesters).

As an example: Following the below pattern, the subjects in your first year would be:
Your first Study Period: BIZ101, BIZ102 and MIS101 (3 subjects)
Your second Study Period: PRO100, MIS100 and 1 elective (3 subjects)
Your third Study Period: MIS102 and 1 elective (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
