

## GDBA22

### Graduate Diploma of Business Administration

The Graduate Diploma of Business Administration is one year in duration for a full-time student. Each year consists of three Study Periods, also known as Trimesters.

**Core subject** - a compulsory subject that you must complete

**Elective subject** - a subject you must choose from the Elective Bank below

**Pre-requisite subject** - a subject you must complete before undertaking another subject

**This course comprises 8 subjects that you are required to complete: 4 core subjects and 4 elective subjects.**

**RPL** - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

#### How to read the below Suggested Study Pattern (as a Full-Time Student):

8 subjects per year make up a full time study load, following a 3 subjects - 3 subjects - 2 subjects pattern across the year's three Study Periods (Trimesters).

You should read the Suggested Study Pattern from top to bottom, which would result in your three Study Periods (trimesters) looking as follows:

1st Study Period: MKT600, MGT600 & 1 Elective (3 subjects)

2nd Study Period: MGT601, FIN600 & 1 Elective (3 subjects)

3rd and final Study Period: 2 Electives from the Elective Bank (2 subjects)

**Studying Part-Time?** You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.

**Fast Track?** You can complete your course sooner by taking up to 4 subjects in each trimester.
