Master of Business Administration

The Master of Business Administration is one and a half years in duration for a full-time student. Each year consists of three Study Periods, also known as Trimesters.
Core subject - a compulsory subject that you must complete
Elective subject - a subject you must choose from the Elective Bank below
Pre-requisite subject - a subject you must complete before undertaking another subject
This course comprises of 12 subjects that you are required to complete: 8 core and **4** electives
RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a Full-Time Student):
8 subjects per year make up a full time study load, following a **3 subjects - 3 subjects - 2 subjects** pattern across the year's three Study Periods (Trimesters).
As an example: Following the below pattern, the subjects in your first year would be:
1st Study Period: FIN600, MKT600 and 1 elective (3 subjects) **We strongly recommend taking MGT502 as your first elective**
2nd Study Period: MGT600, MGT601 and 1 elective (3 subjects) **We strongly recommend taking MGT501 as your second elective**
3rd Study Period: MGT602 and 1 elective (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
Fast-track? You can complete your course sooner by taking up to 4 subjects in each trimester.
