

MBAA16 Master of Business Administration (Advanced)

The Master of Business Administration (Advanced) is two years in duration for a full-time student. Each year consists of three Study Periods, also known as Trimesters.

Core subject - a compulsory subject that you must complete

Elective subject - a subject that you must choose from the Elective Bank on the next page

Pre-requisite subject - a subject you must complete before undertaking another subject

This course comprises of 16 subjects that you are required to complete: 10 core and 6 electives

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a Full-Time Student):

8 subjects per year make up a full time study load, following a **3 subjects - 3 subjects - 2 subjects** pattern across the year's three Study Periods (Trimesters). As an example: Following the below pattern, the subjects in your first year would be:

1st Study Period: MGT502, FIN600, and MKT600 (3 subjects)

2nd Study Period: MGT501, MGT600 and MGT601 (3 subjects)

3rd Study Period: MGT602 and 1 elective (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.

Fast-track? You can complete your course sooner by taking up to 4 subjects in each trimester.
