GCGPM21
Graduate Certificate of Global Project Management

The Graduate Certificate of Global Project Management is a course spanning 2 study periods for a full-time student. There are 3 main study periods, also known as Trimesters, in a year.

Core subject - a compulsory subject that you must complete
Elective subject - a subject you must choose from the Elective Bank below
Pre-requisite subject - a subject you must complete before undertaking another subject

This course comprises 4 subjects that you are required to complete: 2 core subjects and **2** elective subjects.

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a full-time student):

2 subjects per trimester make up a full-time study load.

Following the below Study Pattern (reading from top to bottom), the subjects in your first year would be:
Your first Trimester: PROJ6000 and PROJ6002 (2 subjects)
Your second Trimester: 2 elective subjects (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
