

MBAMPH15

Master of Business Administration and Master of Public Health

The Master of Business Administration and Master of Public Health is two years in duration for a full-time student. Each year consists of three Study Periods, also known as Trimesters.

Core subject - a compulsory subject that you must complete

Pre-requisite subject - a subject you must complete before undertaking another subject

This course comprises 16 core subjects that all require completion.

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a Full-Time Student):

8 subjects per year make up a full-time study load, following a **3 subjects - 3 subjects - 2 subjects** pattern across the year's three Study Periods (Trimesters).

As an example: Following the below pattern, the subjects in your first year would be:

Your first Study Period: PUBH6000, PUBH6001 and PUBH6002 (3 subjects)

Your second Study Period: PUBH6003, FINA6017 and MKTG6002 (3 subjects)

Your third Study Period: ECON6002 and MGMT6000 (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.

Fast-Track? You can complete your course sooner by taking up to 4 subjects in each trimester.
