

ADBEVT23

Associate Degree of Business (Event Management)

The Associate Degree of Business (Event Management) is two years in duration for a full-time student, or four years duration for a part-time student. Each year consists of three Study Periods, also known as Trimesters.

Core subject - a compulsory subject that you must complete

Elective subject - a subject you must choose from the Elective Bank below

Pre-requisite subject - a subject you must complete before undertaking another subject

This course comprises of 16 subjects that you are required to complete: 13 core subjects and 3 elective subjects.

The course contains 2 subject levels - Level 100 and 200, guiding you from foundational through to more complex subjects.

• **Level 100:** 6 core subjects

• **Level 200:** 7 core subjects

You must select 3 electives from the Elective Bank below. The 3 electives may be chosen from any level subjects (100, 200, 300).

This is how to identify the subject level - ENT101 is a level 100, ENT201 is a level 200

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a full-time Student):

8 subjects per year make up a full-time study load, following a **3 subjects-3 subjects-2 subjects** pattern across the year's three Study Periods (Trimesters).

As an example: Following the below pattern, the subjects in your first year would be:

Your first Study Period: BIZ106, BIZ107 and EVT102 (3 subjects)

Your second Study Period: MKT105, BIZ202 and 1 Elective (3 subjects)

Your third Study Period: IND101A and 1 Elective (2 subjects)

Studying Part-Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
