

## GCSM22 Graduate Certificate of Sport Management

The Graduate Certificate of Sport Management is 0.5yrs in duration for a full-time student. Each year consists of three Study Periods, also known as Trimesters. The course is also available to study part-time, spanning a full year.

**Core subject** - a compulsory subject that you must complete.

**Pre-requisite subject** - a subject you must complete before undertaking another subject.

This course consists of 4 core subjects.

**RPL** - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

**How to read the below Suggested Study Pattern (as a full-time student):**

You should read the list from top to bottom, which would result in your two trimesters looking as follows:

**1st Study Period:** MGT502 and BSPOHD601 (2 subjects)

**2nd Study Period:** MGT501 and BSPOHD602 (2 subjects)

**Studying Part-Time?** You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period (using three Study Periods in total).

**Fast-track?** You can complete your course sooner by choosing to take all 4 subjects in the same Study Period, if available.

(Note that this requires a greater volume of study over a single Study Period, and should only be attempted by students familiar with post-graduate study).
