How to read the below Suggested Study Pattern (as a full-time Student):

8 subjects per year make up a full-time study load, following a **3 subjects -3 subjects -2 subjects** pattern across the year's three Study Periods (Trimesters). As an example: Following the below pattern, the subjects in your first year would be:

Your first Study Period: BIZ101, BIZ102 and BIZ104 (3 subjects)

Your second Study Period: MKT101A, and 2 electives (3 subjects) **We strongly recommend taking IND101A as your first elective** **Your third Study Period:** 2 electives (2 subjects)

Studying Part Time? You would still follow the below sequence from top to bottom, but with fewer subjects per Study Period.
