The Master of Business Administration (International Hotel Leadership) is two years in duration for a full-time student. Each year consists of six Study Periods, also known as Terms. Each subject incorporates industry project-based learning.

Core subjects - compulsory subjects that you must complete

Elective subject - compulsory subject that must be chosen from a specific list

Pre-requisite subject - a subject you must complete before undertaking another subject

This course is comprised of 12 subjects that you are required to complete: 2 core subjects and 10 elective subjects

RPL - Should you have any Recognition of Prior Learning (RPL) credits that make you eligible for exemptions, please contact your Program Director to discuss further.

How to read the below Suggested Study Pattern (as a full-time Student):

6 subjects per year make up a full-time study load, taking 1 subject per term across the year's six Study Periods (Terms).

As an example: Following the below pattern, the subjects in your first 4 study periods would be:

1st Study Period: IHL501 (1 subject)

2nd Study Period: Elective (1 subject) * There is no recommended order of electives - they are standalone subjects that all complement one another

3rd Study Period: Elective (1 subject)

4th Study Period: Elective (1 subject)
