

# Flower Card Craft

Make your Mum this very special customised card, with your favourite 5 reasons why you love her hidden under each flower.

You will need; scissors, glue stick and colouring tools of choice (paint, markers, pencils) to colour in the flowers & stems.

- 1 Paint or colour these five big flowers, then cut them out carefully.
- 2 On the stems page, write reasons why you love your Mum in the five dotted flower areas. (Make sure you leave a space at the top to glue your flowers onto the card.)
- 3 Colour in the stems, ribbon and leaves around the flowers.
- 4 Glue the top of your coloured flowers onto the dotted line area.
- 5 Add a message, stickers, glitter or more drawings on the card.

It should look like this when the flowers are all glued on.
