

# Animal Fruit Rice Cakes

How cute are these animal rice cakes? Experiment with ingredients to make different types of animals.

## Ingredients

- A selection of fruit
- Plain rice cakes
- Cereal
- Yoghurt or jam to keep the fruit in place

- 1 Draw out your cute animal faces. This way you know exactly how much fruit to slice, and which fruit is needed.
- 2 Carefully slice your fruit into the shapes. You will need some adult supervision for this step.
- 3 Place yoghurt or jam (whichever you prefer) onto the rice cakes so the fruit and cereal can stay in place.
- 4 Decoration time! Place your fruit onto your rice cakes and see your animal creation come to life. Add cereal to create textures.
- 5 Eat and enjoy, yum!

If you prefer a savoury option - use vegetables instead of fruit, and dip or cream cheese to stick them onto the rice cake base.
