

PARKING AT PITTWATER PLACE

Free parking is accessible to all drivers holding a mobility permit registered on the ZipBy app. Our license plate recognition technology will automatically identify mobility permits as vehicles enter and exit the boom gate system.

MOBILITY PARKING AT PITTWATER PLACE

Welcome to Pittwater Place.

We aim to make all day mobility parking a seamless process with online registration that works with our licence plate recognition technology and ticketless parking.

PITTWATER PLACE

HOW TO REGISTER FOR A MOBILITY PERMIT

Thanks to our upgraded parking system, Pittwater Place customers can book mobility parking conveniently and seamlessly using ZipBy, a user-friendly ticketless parking app.

Here's how to book a mobility parking permit using ZipBy:

Become a ZipBy member:

- Download the **ZipBy App** from the App Store or Google Play Store.
- Using a dedicated email, **create an account**.

Set up your account:

- Click the **three-line icon** located in the top left corner to access the main menu.
- Select the 'Vehicle' tab to **enter your vehicle details**. Changes to vehicles must be completed using the ZipBy app at least two hours before accessing the car parking areas.
- **Enter your payment** details by selecting 'Payments' in the menu.

Creating a permit

- Select the 'PERMIT' icon from the menu tab at the bottom of the screen.
- Click 'Select a Permit' and search and select Pittwater.
- Select 'Mobility Parking Permit' and fill in the details to create a permit.

Park with ease.

- Our ticketless parking uses licence plate recognition to track parking without the need for a paper ticket. On entry, a camera recognises licence plate details that has been registered to your ZipBy App account.

Need support?

The 'HELP NOW' feature is located in the menu tab at the bottom of the App home screen. Using this feature, you can connect directly with a ZipBy App support member by phone or email.
