 Small: 20 cm x 12.5 cm x 25.5 cm / 7.87" x 4.92" x 10.04"

The problem

Much of the shiny, glossy wrapping paper and gift bags we use are not recyclable. And if any of that type of single-use gift wrap does happen to find its way to the recycling bin, the entire load then becomes unrecyclable. Unfortunately, this results in almost 2.3 million extra pounds of landfill debris every year. Source: bit.ly/3RsY7xo

Norwex solution

Our Holiday Gift Bag and Tote Bag make a sustainable "additional gift" for your loved one as they can be used over and over again without adding unnecessary waste to the landfill. With their festive colors and graphics, sturdy handles and blank gift tag for writing a personal message, they're perfect for all your gifting needs.

Why they're better

- A more sustainable solution than single-use bags and wrapping paper
- Made from 80% recycled materials
- BacLock[®], our exclusive micro silver agent, protects the bags by inhibiting odor in the material, which means they're ready to use again and again

What your customers will love

- Great for holiday gift-giving
- Made of the same material as our Reusable Grocery Bags
- Great sizes for many uses, many times
- Helps reduce plastic waste
- Reduces demand for tree-consuming wrapping paper and bags
- Available in money-saving sets

How to use

- Use for special holiday gifts
- Write a personalized message to the recipient on the enclosed gift tag
- Wipe clean with a damp EnviroCloth[®], air dry

Complementary products

- Norman of the Fjord (limited-edition)
 - Travel Trio Skin Care Set (limited edition)
 - Tea Towels, nutcracker/stripes (limited edition)
 - Basic Package, malachite/nutcracker (limited edition)
- 1-year warranty

 BacLock[®] is an antimicrobial agent solely intended to protect and self-clean the product by inhibiting growth of odor-causing bacteria, mold and mildew. BacLock does not protect people from disease-causing pathogens.
