

Odour Eliminator Concentrate

Powerful enzymes help to remove strong, unpleasant organic odors such as food, mildew, smoke, garbage and urine, leaving a fresher, cleaner scent.

limited-edition

Item #: Winter Bergamot-600081
Included in: Home Scent Set-2392
355 ml / 12 fl. oz.

The problem

Need to freshen up the room and get rid of bad smells, but don't want to use aerosol air-fresheners full of harmful chemicals?

Norwex solution

Odour Eliminator Concentrate is an enzyme-based, odor-remover that can be sprayed in the air, around or on the source of the odor. It works to remove odor source, rather than simply masking it.

Why it's safer

- Free from harmful chemicals that have been linked to a variety of health concerns
- Non-flammable
- No aerosol propellants
- Container is recyclable, HDPE #2 and made from 25% OceanBound Plastic, helping to keep plastic waste from reaching our waterways

Formulated without

- SLS/SLES • Phthalates • Synthetic dyes • Gluten • 1,4 Dioxane

What your customers will love

- Phthalate-free winter bergamot scent has notes of citrus
- Powerful, effective odor elimination
- Works instantly to break down the source of the odor and impart a subtle, fresh scent into the air
- Perfect for use in bathrooms, kitchens, garbage cans/bins, lockers, carpets and laundry
- Use anywhere unpleasant odors are a problem. May also be used with rug shampoo solutions to eliminate carpet odors.
- Highly concentrated, use diluted
- Biodegradable
- Available as part of our money-saving Home Scent Set

How to use

- Shake well before using
- **As a spray:** For best results, always spray diluted. Mix 14 oz. water and 2 oz. Odour Eliminator Concentrate in a Forever Bottle with Sprayer. Direct a light mist toward the ceiling, allowing it to completely refresh the area. Use with our Mop System for fresh, clean floors.
- **For carpet extraction:** Add 1 oz. of Odour Eliminator Concentrate per liter (34 oz.) of rug shampoo solution
- Use a capful per each wash load for clean-smelling laundry
- DO NOT mix with other cleaning chemicals such as bleach or disinfectants
- Avoid using extremely hot water with the product
- Always test on an inconspicuous place before using
- Not for topical use on the body
- For optimal results, use the diluted concentrate within 12 months

Odour Eliminator Concentrate *(cont.)*

Ingredients

Aqua/Water/Eau (Solvent), Protease/Subtilisin (Enzyme) (Breaks Down Protein-Based Soils), Amylase (Enzyme) (Breaks Down Starch-Based Soils), Cellulase (Enzyme) (Breaks Down Organic Soils), Lipase (Enzyme) (Breaks Down Lipid-Based Soils), Bacillus Spore Blend (Non-Food Probiotic) (Microbial Cleaner), Triethyl Citrate (Plant-Derived) (Scent Component), Abies Sibirica (Fir Needle) Oil (Plant-Derived) (Scent Component), Ferula Galbaniflua (Galbanum) Resin Oil (Plant-Derived) (Scent Component), Gamma-Undecalactone (Plant-Derived) (Scent Component), Vanillin (Plant-Derived) (Scent Component), Ethyl 2-Methylbutyrate (Plant-Derived) (Scent Component), Citrus Aurantium Dulcis (Orange) Oil (Plant-Derived) (Scent Component), Pogostemon Cablin (Patchouli) Oil (Plant-Derived) (Scent Component), Piper Nigrum (Black Pepper) Seed Oil (Plant-Derived) (Scent Component), Decanal (Plant-Derived) (Scent Component), Alpha-Ionone (Plant-Derived) (Scent Component), C9-11 Pareth 6 (Synthetic) (Surfactant), Caprylyl Glycol (Synthetic) (Preservative), Phenoxyethanol (Synthetic) (Preservative), Hexylene Glycol (Synthetic) (Preservative), Sodium Carbonate (Mineral-Derived) (Buffer Agent)

Demo tip

- Measure 1 oz. of Odour Eliminator into a Forever Bottle with Sprayer and 7 oz. of water. Use it during events to demonstrate the light, fresh scent. Point out that the 12 oz. container will last a long time because the product is concentrated.

Did you know

- Enzymes are proteins that act as biological catalysts, meaning that they are molecules capable of speeding up chemical reactions. They are not destroyed during the reaction and are used over and over.
