Cleaner, safer, better, with the power of 10

1 EnviroCloth® BacLock® OEKO-TEX®

Problem: Cleaning surfaces in your home quickly and without harmful chemicals can be challenging.

Solution: Clean your entire home safely and thoroughly using a super-absorbent Norwex EnviroCloth. You'll save time, money and the environment, using only water!

You'll love: Densely woven, superfine Norwex Microfiber physically removes up to 99% of bacteria from a surface with only water when following proper care and use instructions. It significantly reduces cleaning time and eliminates the need for paper towels and harmful chemical cleaners.

35 cm x 35 cm / 13.78" x 13.78" **\$25.99**

● 700014 blue

Made from 70% recycled microfiber yarn

- 700061 graphite with amethyst trim
- 700064 denim
- 700046 teal
- 700055 forest
- 700010 graphite

2 Window Cloth BacLock® OEKO-TEX®

Problem: Glass and window cleaners can leave streaks on your mirrors and other shiny surfaces. In addition, many cleaners contain harmful chemicals like butyl cellosolve and ammonia, which can be harmful to your health.

Solution: Keep your glass, windows and other shiny surfaces streak-free and sparkling clean with the Window Cloth.

You'll love: Densely woven, superfine Norwex Microfiber physically removes up to 99% of bacteria from a surface with only water when following proper care and use instructions. It helps you polish quickly and effectively, and eliminates your need for harmful chemical cleaners that can affect your family's health. You'll also create less waste from paper towel use.

45 cm x 45 cm / 17.72" x 17.72" **\$27.99**

- 705048 palm
- 705033 leaves
- 705045 graphite
- 705024 amethyst with graphite trim

3 Dusting Mitt BacLock®

Problem: Dust buildup can be unsightly and cause allergies and other respiratory health issues.

Solution: Use the Dusting Mitt, wet or dry, for quick, chemical-free dusting throughout your home, including blinds, screens and other hard-to-clean areas.

You'll love: The Dusting Mitt traps dust and eliminates the need for chemical-laden cleaners. Densely woven, superfine Norwex Microfiber physically removes up to 99% of bacteria from a surface with only water when following proper care and use instructions. Plus the BacLock® in the cloth helps keep it fresher, longer.

26 cm x 14 cm / 10.24" x 5.51" **\$27.99**

- 708003 graphite
- 708000 blue
- 708011 teal

4 Superior Mop Starter System

Problem: The floors in your home often harbor chemicals, dust, bacteria and other pollutants tracked in from outside.

Solution: The Superior Mop Starter System keeps your floors and walls clean while reducing chemicals in your home.

You'll love: Easily clean your home, from your floors to your ceilings. One Mop Pad can clean the entire floor, saving you time and energy, without harmful chemical cleaners! Made with densely woven, superfine recycled microfiber yarn, the Superior Mop Starter System physically removes up to 99% of bacteria from a surface with only water when following proper care and use instructions.

5 Ultra Power Plus™ Laundry Detergent

Problem: You need a laundry detergent that will keep your clothes their brightest and whitest, but one that isn't filled with harmful chemicals like bleach or fragrance.

Solution: This highly concentrated, superior stain-fighting powder quickly dissolves grease and grime, keeping your clothes naturally fresh and clean!

You'll love: It's made with powerful biodegradable surfactants and free from phosphates and fillers, so it's safe for you and your family – and great for the environment!

1 kg / 2.2 lbs 1125 **\$37.99**

6 Fluff and Tumble Dryer Balls

Problem: Chemicals found in dryer sheets and fabric softeners may cause harm to your family and the environment.

Solution: 100% wool Fluff and Tumble Dryer Balls naturally help reduce dryer time, wrinkles and static cling by allowing more air to circulate between your clothes.

You'll love: Fluff and Tumble Dryer Balls are an earth-friendly, chemical-free alternative to name-brand dryer sheets and softeners – they're also safe for all clothes and have a 2-year warranty!

357021 **\$36.99** set of 3

7 Power Cleaning Paste

Problem: You lead a busy life and don't always have time to clean the stuck-on grime and goo that kids and pets can leave in their wake. You need something strong on dirt yet easy on the environment with no harmful chemicals.

Solution: A versatile cleaning solution that combines efficiency and eco-friendliness, this solid formula offers a host of remarkable benefits. With just a small amount, the Power Cleaning Paste cleans and polishes surfaces with ease, providing long-lasting results, making it ideal for a range of cleaning tasks.*

You'll love: Just a little Power Cleaning Paste is all you need for even the toughest jobs throughout your home. It's long-lasting, phosphate-free and easy to use, with none of the wasteful mess or dust of typical cleaning powders.

**Not for use on brushed stainless steel or special coatings. Always test on an inconspicuous place first.*

200 ml / 6.76 oz. 403502 **\$42.99**

8 Descaler

Problem: Hard water causes unsightly lime and calcium deposits on sinks, fixtures, bathtubs and shower doors. And rust can leave ugly stains on taps, drains and tiles. Many common descalers contain toxic chemicals that can damage surfaces and the environment.

Solution: Our Descaler provides heavy-duty cleaning and removal of calcium, lime and rust stains as well as stubborn, stuck-on soap scum – in just a few minutes!

You'll love: Norwex Descaler is USDA certified 86% biobased and contains natural ingredients like glucuronic acid, organic orange peel extract and sodium gluconate to help keep a wide variety of surfaces clean and sparkling like new!

355 ml / 12 fl. oz. 600005 **\$36.99**

9 Bathroom Cleaner

Problem: Cleaning the bathroom is one of the toughest jobs around the house. You need a product that safely removes dirt, stains and soap scum, without the harmful chemicals of typical cleaning products.

Solution: This concentrated solution safely cleans bathroom bowls, basins and more** with no corrosive fumes or dangerous muriatic acid that can damage chrome and metal fixtures.

You'll love: Long-lasting and dilutable, this all-in-one cleaner penetrates surfaces to safely dissolve buildup, rust and other stains, leaving your bathroom sparkling clean. Use full strength or dilute to use as a spray.

***Not for use on natural stone surfaces or special coatings.*

355 ml / 12 fl. oz. 600002 **\$36.99**

10 Body and Face Pack

Problem: Name-brand soaps and cleansers can dry and irritate your skin. Some of them contain harmful chemicals, which may be especially problematic for sensitive skin as well as the environment.

Solution: This pack of three super-gentle microfiber Body and Face Cloths pampers your skin as you cleanse with water only.

You'll love: Gentle on skin yet tough on dirt, these Norwex Microfiber cloths are great for exfoliation and perfect for daily hygiene and skin care. BacLock[†] helps keep them fresher longer.

32 cm x 32 cm / 12.6" x 12.6" **\$31.99** set of 3

- 309045 graphite
- 309047 Coastal: teal, vanilla, graphite
- 308052 graphite/vanilla stripes
- 309049 Tranquil: denim, vanilla, lavender
- 308061 teal/vanilla stripes

[†]BacLock is an antimicrobial agent solely intended to protect and self-clean the cloth by inhibiting growth of odour-causing bacteria, mould and mildew.
