

Smoothing Bakuchiol Serum

Key Features:

- Effective, natural alternative to retinol
- Reduces fine lines and wrinkles
- Improves skin tone and texture
- Vegan, biodegradable capsules
- Money-saving refill

Contains:

Bakuchiol: A natural retinol alternative derived from the Babchi plant, helps smooth fine lines and improve skin tone.

Sea Fennel Extract: Rich in vitamins A, C, and E, rejuvenates and brightens skin.

Vitamin E: Provides antioxidant protection.

Black Currant Seed Oil: Hydrates and supports the skin with high vitamin C content.
