

BY SHARING, YOU MAKE A
World of difference

You're part of the Norwex community

People like you are making an impact. Thanks for sharing our Mission with others! Norwex was founded over 29 years ago in Norway, one of the most environmentally friendly countries on the planet. There are millions of Norwex fans spanning three continents who are passionate about our products and committed to being a force for good. We're so glad you're on this journey with us!

Just a few (amazing) things to share . . .

Norwex Recycled Content

Many of our microfiber products are made from 50%–91% recycled content, saving more than 12 million plastic bottles from the landfill.

Norwex Foundation for a Brighter Future

Since the inception of our charitable giving program in 2013, our donations have exceeded \$2 million and reached 350 charitable organizations across the globe.

STANDARD 100 by OEKO-TEX®

We partner with independent third-party OEKO-TEX so you can be sure that every certified component—from yarn and dyes to trim and label—is free from harmful substances.

Norwex 360 Product Review

More than 2,700 questionable substances have been banned from our product development process.

OceanBound Plastic

Did you know? An estimated 9 million tons of discarded plastic flows into the world's oceans every year.* The OceanBound label on many of our bottles lets you know they're made of plastic that was at risk of entering the world's oceans.
