From day one, you earn 35% on what you sell.*

- Sell \$100? Great job! That’s \$35 you keep.
- Sell \$300? That’s \$105 in your pocket.
- Canadian Consultant events averaged \$579 in sales – that’s \$202 cash earned*
- With an average three-hour time commitment before, during and after the event – that’s more than \$67 per hour!* Your effort can really pay off!

*There are no guarantees regarding income. In general, those who dedicate the most time and effort to their Norwex business have the potential to earn the most income.
