

## Good, clean fundraising

---

Make a difference  
by creating  
healthier homes  
and being  
friendlier to the  
environment.

Dear \_\_\_\_\_,

The Norwex Mission is *"Sharing a cleaner, safer way of living by reducing harmful chemicals everyday lives."* This is accomplished by offering a product line that saves time and money while protecting our health and our planet. The long-term health of the planet is in our hands; together we can build awareness of the importance of respecting and protecting our environment by reducing the use of chemicals and disposable products. This fundraiser offers nonprofit organizations the opportunity to earn 20% of all sales and provides a variety of exciting prizes to help engage participants. To learn more about Norwex, feel free to contact me at: \_\_\_\_\_.

Please know that it would be my pleasure to provide you with more details about our Norwex Fundraising Program. I'm confident that together we can run a successful program and empower others to decrease their footprint on our planet!

Thank you for your time and attention,

Norwex Independent Consultant
