Densely woven, superfine Norwex Microfiber helps reduce your cleaning time and physically removes up to 99% of bacteria from surfaces with only water when following proper care and use instructions. At 1/200th the thickness of a human hair, it's one of the most innovative products in the cleaning industry today.

- Lifts dirt, grease and grime up into the cloth and off the surface
- Exclusive micro silver agent protects the cloth by inhibiting odor in it, which means it's ready to use again and again
