

Curb-Mounted Skylights

Solar Powered, Electric, Manual and Fixed

Transforming Spaces into Favorite Places

Why VELUX?

For over 80 years, VELUX has pioneered the roof window and skylight market. Our focus has always been on creating the highest quality, most energy efficient daylight products available. Take advantage of our experience and reimagine your home in daylight with VELUX skylights.

Why skylights?

Daylight is powerful. It helps create a warm, inviting space while improving our overall well-being and decreasing our dependency on electricity. Skylights provide abundant daylight and fresh air, transforming the look and feel of an entire home. We're often asked, "Why skylights?" But with endless benefits to installing more natural light, the question should really be, "Why not skylights?"

Solar Powered Fresh Air Skylight

VCS Model

Solar Powered Fresh Air Skylight

Simple control of all VELUX skylights and shades with one remote.

The Touch remote controls both skylights and shades, featuring ventilation timing and programmable presets.

We believe it should be easier to create your perfect home environment with VELUX skylights and shades. Now, with VELUX Touch, you only need to reach for one remote to take control of every skylight and shade you install. Talk about indoor comfort right at your fingertips!

- Remote operation in room where your skylights are installed
- Operate multiple products at once
- Group skylights and shades to operate together
- Set the ventilation timer for regular automated home airing
- Lock home option to securely close all your skylights automatically
- Preset shade and skylight positions for even easier operation

Three Layers of Water Protection

At VELUX, we've developed three layers of water protection to safeguard your house against damaging leaks. The VELUX Skylight System carries a 10-year installation warranty, plus 20 years on glass, 10 years on product, and 5 years on shades and controls.

Rest easily underneath your skylight knowing that it will never let in rain or moisture.

- 1 Pre-attached Gasket** provides a tight outer seal for leak-proof installation.
- 2 Adhesive Underlayment** provides secondary water protection in harsh weather conditions.
- 3 Engineered Flashing** provides primary water protection and allows for easy installation.

Complete light control.

Solar-Powered Shade Pairing

VELUX shades allow you to control the light, enhance your decor, and improve energy efficiency.

We offer the option of ordering VELUX Solar Powered Fresh Air Skylights with **Pre-Installed White Room Darkening, Double-Pleated shades.**
