

Certificate of Zero-carbon Factory (Type I)

零碳工厂
Zero-Carbon Factory

Certificate No.: TIZCF202405009

Name of applicant: ConMet (Nanjing) Mechanical Co., Ltd.

Registered address of applicant: No.58 Yihu Road, Lishui District, Nanjing City

Address of operating plant: No.58 Yihu Road, Lishui District, Nanjing City, Jiangsu Province, China

The operation management of the applicant's operating plant during the reporting period (1st January 2023 to 31st December 2023) has been verified to meet the following standards in terms of basic compliance requirements, basic management requirements, infrastructure, intelligent information management system for energy and carbon emissions, energy and resource use, products, implementation of greenhouse gas reduction and carbon offset.

T/CECA-G 0171-2022 Evaluation Specification of Zero-carbon Factory, rated as:

Type of Zero-Carbon Factory: Type I Type II

Rating of stars: Four-star

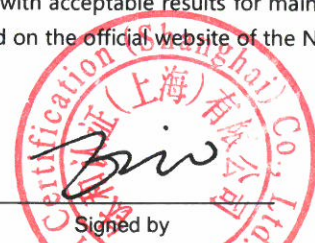

The greenhouse gas emissions and greenhouse gas offset percentage information of the certified organization can be found in the appendix of the certificate with the same certificate number. The master certificate must be used at the same time as the appendix of the certificate.

Original Registration Date: 31st May 2024

Expiry Date : 30th May 2027

This certificate is valid until 30th May 2025. Please complete the surveillance or re-certification audit before this date and update it after the review.

This certificate remains the property of Ti Certificate (Shanghai) Co., Ltd. and is bound by the conditions of contract. The certified organization shall be subject to surveillance audit periodically with acceptable results for maintaining the validity of this certificate. The information of this certificate can be found on the official website of the National Certification and Accreditation Administration, www.cnca.gov.cn.

Certificate of Zero-carbon Factory (Type I)

零碳工厂
Zero-Carbon Factory

Certificate No.: TIZCF202405009

Appendix

No.:	1		
Reporting period for Greenhouse gas:	1 st January 2023 to 31 st December 2023		
Greenhouse gas emissions during the reporting period (tCO ₂ e):	515.80		
Percentage of greenhouse gas offset during the reporting period:	100%		
Type of Zero-Carbon Factory:	<input checked="" type="checkbox"/> Type I <input type="checkbox"/> Type II		
Rating of stars:	Four-star		

This appendix only expresses Zero carbon factory level classification information during the reporting period. This appendix only represents the greenhouse gas emissions and greenhouse gas offset percentage of the certified organization and cannot be used independently. It must be used together with the master certificate with the same certificate number.
