

AFTERMARKET PRESET®

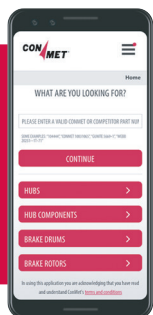

Medium-Duty Hub Assemblies

Unlock savings and efficiency with the most advanced wheel hub in the industry.

ConMet's factory-assembled and pre-adjusted hub assemblies are now available for medium-duty service applications. Replacing your wheel ends with PreSet hubs saves hours compared to the time it would take to rebuild the same hub, putting your vehicle back on the road faster.

Please note: Medium-duty PreSet® hub assemblies are not compatible with PreSet Plus® spindle nuts.

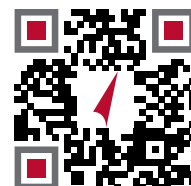

- ▶ Quick and easy installation
- ▶ Low maintenance
- ▶ Increased uptime
- ▶ Includes pre-adjusted ConMet bearings and premium ConMet wheel seal
- ▶ Best-in-class warranty and support from ConMet field sales and service organization
- ▶ Three-year/350,000-mile warranty

Time to Replace? Check Out Our App!

Use the ConMet App to discover how much you could save with PreSet replacement hubs and to identify the hub assembly that best fits your needs.

Available for iOS and Android or at conmet.com/app.
