

A photograph of a woman and a child smiling joyfully. The woman is in the foreground, wearing a white off-the-shoulder top, with her arms around the child. The child is behind her, wearing a red top, with one arm raised. They are outdoors, possibly near a beach or ocean, with a blurred background. The image is partially framed by a blue circular graphic on the left.

Your path to savings

Visiting an in-network provider

Beam has you covered from coast-to-coast with a large, national network of dental and vision access points to receive care.

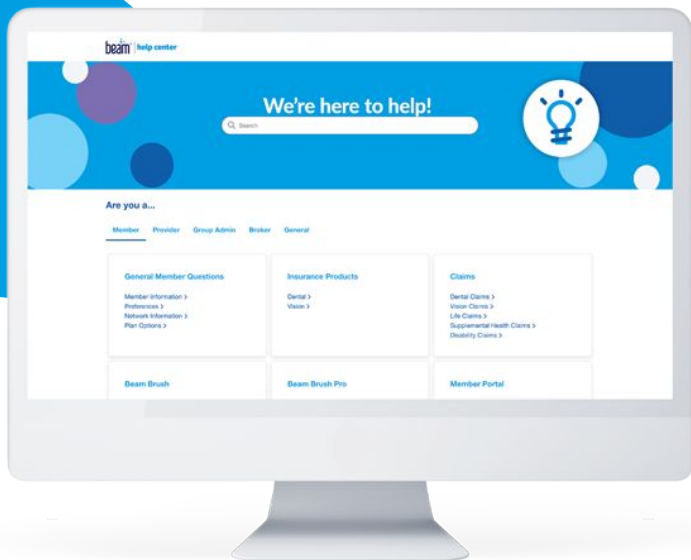

In-network providers have a relationship with Beam's networks that results in lower contracted fees for claims. Beam members can use their dental plan coverage at any dental office, but visiting an **in-network (INN)** provider [can save members real money](#) in the long run.

Find your in-network provider on our [web portal](#) or mobile app.
