 2. The landlord of the *Insured Premises*, if the *First Named Insured* is required as part of a written lease to provide liability coverage for the landlord for *Bodily Injury* or *Property Damage* resulting from its use of *Insured Premises* leased from the landlord. However, this insurance does not provide protection (whether defense costs or indemnity, or both) to such landlord for *Bodily Injury* or *Property Damage* which occurs after the *First Named Insured* ceases to be a tenant, or which results from structural alterations, new construction, or demolition performed by or for the landlord; and

C. Section II Changes – What Liability is Covered

The following new provision is added to Policy **Section II: What Liability Is Covered**:

General Liability

We will pay on **your** behalf all sums that **you** become legally obligated to pay for *Damages* for *Claims* covered under this Policy because of *General Liability Incidents*:

1. less any applicable deductible or excess of any applicable Insured's Retention; and
2. up to the Limits of Liability for General Liability Coverage shown above.

D. Section III Changes – When This Policy Will Respond

The following new provision is added to Policy **Section III: When This Policy Will Respond**:

With respect to coverage provided by this Endorsement, **your** liability is covered under this Policy only if and when:

1. the liability arises from a *General Liability Incident* that takes place entirely on or after the *Effective Date* of this Policy, and prior to the termination date of this Policy; and
2. the liability is asserted in a *Claim* that is reported to **us** as soon as practicable.

If a *General Liability Incident*, meeting all of the requirements for coverage in effect during this *Policy Period*, occurs during this *Policy Period*, all related *Claims* arising from the same *General Liability Incident* or series of related *General Liability Incidents*, including continuous or repeated exposure to substantially the same general harmful conditions, shall be deemed a single *Claim* subject to all provisions in effect during this *Policy Period*, including the Limits of Liability.

E. Section IV Changes – Limits of Liability

The following new provision is added to Policy **Section IV: Limits of Liability**:

Limits of Liability for *General Liability Incidents*

This section and the Limits of Liability for General Liability shown in this Endorsement fix the most **we** will pay regardless of:

- i. how many persons sustain injury or loss, including derivative *Claims*, such as those made by family members, including domestic partners, whether or not recognized by law;
- ii. how many conditions affect one or more claimants;
- iii. when or how many *Claims* or causes of action have been asserted against one or more Insureds;
- iv. how many persons or entities allege *Damages*; or
- v. how many *Suits* have been brought.

The coverage provided by this Endorsement does not cumulate or "stack" with any other coverage limits provided by this Policy. If the liability incurred is covered by this Endorsement and any other coverage provided by this Policy, then the Claim Limit will be equal to the highest applicable Claim Limit available under any of the coverages applicable to the *Claim*, but not more than one coverage.

The Limits of Liability for General Liability are shared by all Insureds covered under this Policy.

1. General Liability Claim Limit

The General Liability Claim Limit is the maximum amount **we** will pay for *Damages* for all covered liability incurred by all Insureds as a result of all injury or loss arising from any one *General Liability Incident*.

2. *No-Fault Medical Payments*

We will make *No-Fault Medical Payments*, at the request of the *First Named Insured*, to or on behalf of persons injured as a result of an accident, that occurs during this *Policy Period*, and which takes place at, or on ways next to, premises **you** own, rent, or legally control.

However, **we** will not pay for medical expenses incurred for injuries:

- i. which, regardless of fault on **your** part, are excluded by this Policy;
- ii. which results from a Professional Liability Incident;
- iii. which are sustained by **you** or **your** family members or **your** patients; or
- iv. which are sustained by **your** tenant, or by any person hired to do work for, or on behalf of, **you** or any of **your** tenants.

The maximum **we** will pay for all *No-Fault Medical Payments* is the No-Fault Medical Payments Limit listed in this Endorsement.

3. General Liability Aggregate

The General Liability Aggregate listed in this Endorsement is the maximum amount **we** will pay for all *Damages* for all covered liabilities to which this Endorsement applies. The General Liability Aggregate is reduced by all amounts **we** pay for such *Damages*.

F. Section V Changes – Defense and Settlement

The following new provision is added to Policy **Section V: Defense and Settlement**:

We have the right, without **your** consent, to settle *Claims* arising from *General Liability Incidents*. **We** may, at **our** discretion, investigate any such Incident and settle any *Claim* that may result.

7. Liability arising out of the hazardous properties of nuclear material.
8. Liability arising from the actual, alleged, or threatened discharge, dispersal, seepage, migration, release, or escape of *Pollutants* at any time, including any loss, cost, or expense arising out of any:

- ii. *Claim* or *Suit* by or on behalf of a governmental authority, to recover sums incurred because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying, or neutralizing, or in any way responding to, or assessing the effects of, *Pollutants*.

However, this Exclusion does not apply to:

- i. *Bodily Injury* or *Property Damage* arising out of heat, smoke, or fumes from a fire that becomes uncontrollable or breaks out from where it was intended to be.
