Create a smooth and streamlined look with the linear forms and functional features of the Parma® bath accessory collection. With sinuous, lean styling, the graceful, circular forms of Parma pair perfectly with modern elements of a similar aesthetic such as Gerber's Amalfi™ and Parma faucets and tub & shower trim kits.

The Fairbanks™ bathroom accessory collection combines a flat, linear form with square state-of-the-art style. The ideal companion for products with either sharp and defined or soft and fluid outlines like the Avian® and Tribune® bath collections. Fairbanks bath hardware pieces are contemporary in styling and showcase a modern or transitional bath retreat with subtle grace.

# UNIVERSAL TANK LEVERS

Details matter. Down to the tank lever.

Outfit the bathroom at every touchpoint by upgrading a standard toilet lever with the Gerber® universal tank lever — an all-around easy solution. Available in Chrome, Brushed Bronze, Brushed Nickel, and Satin Black finishes, this lever can serve as a replacement to fix a sticking, corroded or broken lever or a design aesthetic update to match bathroom fixtures. Compatible with most gravity-fed, lever toilets, the Gerber universal tank lever adds a bespoke look to bathroom retreats.

# BATH TUB DRAIN TRIM KITS

**Style doesn't stop at the drain.**

The perfect faucet, toilet, bathing products, and accessories are the foundation for a bathroom remodel or refresh; don't let a rogue drain trim kit finish throw off the vision. Gerber offers a variety of drain types in all four finishes: trip lever, lift & turn, and pop-up.
