

AVIAN[®] BATH COLLECTION

Streamlined Style that Soars

- Sleek, minimalist design with clean, contemporary lines adds ageless appeal
- Collection includes bathroom sink faucets, tub & shower trim kits, and Roman tub trim kit for a fully cohesive look
- Ceramic disc valves provide smooth operation and drip-free performance
- Bathroom sink faucets feature laminar flow which delivers a more hygienic, clear, low-splash stream
- Tub & shower trim kits are powered by the innovative Treysta[®] valve that offers flexible installation and lasting, worry-free operation

GERBER[®]

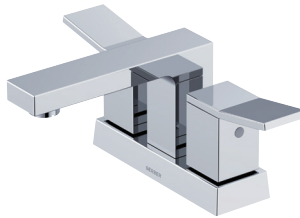

AVIAN®

Streamlined Style that Soars

Minimalist design meets maximum functionality in the Avian bath collection. Clean, modern lines and distinctive edges take bathroom designs to new heights and add ageless appeal. Simplistic linear handles require the lightest touch to operate, and integrate seamlessly into today's modern bathrooms. Single handle faucets include integrated supply lines while centerset faucets offer a longer shank to accommodate thicker countertop surfaces. All sink faucets incorporate laminar flow that delivers a crystal clear, low-splash stream. The tub & shower trim kits are fully compatible with the powerful Gerber® Treysta® valve. Truly adding the brains behind the beauty of Gerber shower and tub installations, the Treysta offers easy, adaptable installation and reliable operation. Let your style soar with the clean, modern lines of the Avian collection.
