

# TRIBUNE™ BATH COLLECTION

## *Modern Style with a Soft Edge*

- Subtle yet striking, the Tribune features edged detailing with softened angular lines for a modern feel
- Collection includes bathroom sink faucets, tub & shower trim kits, and a Roman tub trim kit
- Bathroom sink faucets include:
  - Discreet vertical lift rod that offers a sleek appearance and streamlined operation
  - Clear, no-splash laminar flow for a more hygienic experience
  - Reliable ceramic disc cartridges that ensure smooth operation and drip-free performance
- Showerheads and tub & shower trim kits feature:
  - Easy-to-manuever ball joint on showerhead for more focused spray
  - Large 6" showerhead with easy clean soft-touch nozzles
  - Treysta® ceramic disc pressure balance cartridge that is compatible with Gerber's innovative Treysta rough-in valve (sold separately)

# TRIBUNE™

## Modern Style with a Soft Edge

With precise modern lines and subtle curves, the Tribune collection sets the stage for style. Minimal detailing provides a simple square backdrop complemented by softened angles that flow together to form a sleek aesthetic. The Tribune's subtle aura is made to complete the look of today's bathroom designs. The complementary suite includes bathroom sink faucets, tub & shower trim kits, and a Roman tub trim kit for a cohesive look. Bathroom faucets incorporate hygienic laminar flow that offers a clear, no-splash stream, even in shallow sink applications. The tub & shower trim kits come with a cartridge that is fully compatible with the powerful Gerber® Treysta® valve for fast and easy installation. Let the Tribune's softly contoured square forms and stunning finish options elevate your bathroom to a modern level.
